- Team Lead (1:15)
- Subject Matter Expert (1:20)
- Quality Assurance specialist (1:10)
- Trainers/Training Lead (1:50)
- Workforce Management Analyst: As per shift requirements

3. Deliverables

3.1 Implementation. Supplier will deliver the following Deliverables as part of the Implementation Services:

- 3.1.1 Completion report for stand up of the required IT hardware and equipment.
- 3.1.2 Post meeting notes from the Supplier PM within 24 business hours

3.2 Outsourced Services. Supplier shall provide the following Deliverables as part of the Services:

- 3.2.1 Supplier will provide Financial Crime Support Agents in accordance with the role requirement set forth in 'Description of Services' in this SOW and the Agreement
- 3.2.2 All Financial Crime Support Agents must successfully complete and pass all required assessments as directed by █████

4. Hours of Operations

The Supplier will provide the Services during the following range of working hours: 24 hours a day seven days a week unless otherwise agreed by █████ in writing (email is sufficient) (the "**Service Hours**"). Any changes to these Service Hours shall be agreed and implemented pursuant to mutual agreement of the parties.

5. Service Levels and Performance Expectations Definitions

Supplier will meet the Utilization, AHT, and Response SLA targets and performance levels outlined in the below table in performing the Services (collectively the "**Target Goals**"). The Target Goals may be periodically adjusted by █████ with reasonable advance notice to Supplier.

5.1 Target Goals. Target Goals track key performance indicators Financial Crime Support Agents and the resulting User experience. █████ may, in its sole discretion, introduce additional Target Goals post Ramp Period (as defined below).

5.2 Ramp Period. The initial 8 Weeks will be Ramp period (2-week process training, 2 Week Nesting, 4 Week of Ramp up) following the first day of training will be deemed the ramp period ("**Ramp Period**"). Supplier is expected to meet all Target Goals by the end of the Ramp Period unless otherwise agreed by █████ in writing.

5.3 Performance. Supplier will perform the Deliverables and Services as per SLA/KPI agreed during transition stage. If there is no baselined or historical data available, Supplier will baseline SLA/KPI data for 3 months and agree with █████ for SLA/KPI.s

5.5 Quality Metrics.

Metric	Definition	Target
Critical Error Rate (“ CER ”)	CER which aims to measure the rate of occurrence of User and █████ impacting errors. (# of evaluations containing a critical error / # of evaluations completed) Critical Errors are any mistake, regardless of root cause, that have an identifiable impact on Users or █████	As per agreed targets with █████ during transitions
QA completion rate	% of Quality audits complete by Supplier QCs	As per agreed targets with █████ during transitions

Quality Metrics will be calculated monthly. If the Supplier fails to meet any Quality Metric Target set forth in the above table in this Section 5.5, Supplier will provide a remedial plan to █████ no later than 5 business days after the end of the month in which the applicable Quality Metric was missed (a “**Quality Metric Remedial Plan**”). The Quality Metric Remedial Plan will include the steps Supplier will take to meet the applicable Quality Metric Target. Supplier will continue to periodically report to █████ on ongoing compliance with the applicable Quality Metric Target(s). Quality Targets and/or metrics may be periodically adjusted by █████ with reasonable advance notice to Supplier.

5.6 Capacity Metrics.

█████ will provide Supplier with Quarterly staffing requirement (Ordered **Hours**”), and Supplier will deliver against the ordered hours on a recurring basis based on agreed upon long-term forecast and workflow Management procedures (“**Delivered Hours**”). If Supplier’s Delivered Hours fail to meet the Target in accordance with the below table, Supplier will provide a remedial plan no later than 3 business days after the week in which the Target was missed (a “**Capacity Metric Remedial Plan**”). The Capacity Metric Remedial Plan will include a detailed outline covering Supplier’s business plan to meet the below Target on an ongoing basis.

Metric	Definition	Target
% Delivered Hours	Percentage of hours delivered against forecast	100%

5.7 Threshold and Targets:

Financial Crime Agents with more than 3 months’ tenure will consistently meet the Target Goals. If Target Goals are not met, then █████ may request the removal of a Financial Crime Specialist from █████ account, and Supplier will use reasonable efforts to fulfil the request. █████ may update this Section 5 on written notice to Supplier from time to time (email is sufficient). Supplier will adhere to Target Goals and other performance expectations set by █████ in this SOW.

6. Service Fee

6.1 Fees. The Rate Table in clause 6.8 below sets forth the hourly rate for the provision of the Services.

6.2 Tracking Services. [REDACTED] will provide Supplier access to its internal time tracking software (“[REDACTED] Tracker”) to facilitate reporting and management of Productive Hours in real time. Supplier must use [REDACTED] Tracker to track and distinguish all Productive Hours (including all training) and Unproductive Hours ordered in a Work Order. At the end of each month, the total number of Productive Hours logged will be extracted from [REDACTED] Tracker for billing purposes. Any hours not submitted in [REDACTED] Tracker will not be considered recorded and will not be paid.

6.3 Productive Hours. Productive Hour is limited to the actual time Specialists are active on cases, chats or phone calls or are waiting for such contacts to arrive. Any non-productive time such as training (except [REDACTED] driven training) lunch, breaks, vacation or other is excluded from the productive hour metric.

6.4 Non-Productive Hours. [REDACTED] will pay for the total Productive Hours delivered by Supplier. [REDACTED] will only pay for specific non-productive time that is mutually agreed upon in writing by [REDACTED] and the Supplier in Advance.

6.5 Invoicing Procedure. The monthly invoice shall include the total number of Productive Hours and any mutually agreed upon non-productive time for the month as specified by (b) multiplied by the hourly rate applicable based on the table below.

6.6 Ordered Productive Hours. Unless otherwise agreed to in writing by [REDACTED] Supplier may not bill, and [REDACTED] will not be liable to pay fees for Productive Hours more than the total Productive Hours ordered by [REDACTED]

6.7 Training Rates. [REDACTED] will pay for Supplier Personnel for training at productive hour rate of from the date of training start.

6.8 Rate Table:

Financial Crime Operations Productive Rate	[REDACTED] at Bangalore, India
Financial Crime Process Specialist/Analyst (1-2 Years Experience)	\$22.38
Overtime Premium	30% of Production Rate

- (i) Invoices will be raised in USD and all payments will be made by credit transfer to the bank account nominated by Supplier.
- (ii) In case of any discrepancy in the invoice, [REDACTED] will raise the same within ninety (90) days from the date of submission of invoice.
- (iii) The above rates are exclusive of all applicable Taxes
- (iv) The rates do not include any travel and related expenses those will be charged at actuals.
- (v) The rates shared above shall be subject to an annual increase of 4% from the anniversary of this SOW.
